Council Work Session

A. Discussion of Updated 2022 Community Wildfire Protection Plan (CWPP)

Gabe Kohler, Southwest Program Manager for the Forest Stewards Guild, joined the meeting via phone. Mr. Kohler explained verbiage, hazard vs risk, in the updated CWPP. He stated this was an update, they are adding to the CWPP approved in 2016. He then stated CWPPs are the primary mechanism for documenting wildfire risk and prioritizing wildfire risk production projects. This process pulls together data and expertise needed to look at wildfire risk across both public and private lands. There are County level and community level CWPPs. The Village of Angel Fire plan was developed alongside the Colfax County plan. This is not a legally binding agreement, this is a starting point for a public process. This updated CWPP reflects a year of meetings, interviews and spatial data analysis.

Mayor Mixon adjourned the meeting at 4:41 PM.

Passed, Approved and Adopted on the 13 day of September, 2022.

Jo Mixon, Mayor

ATTEST:

Cindy Ward, Village Clerk
